

Tip and Tricks

Searching SPI's Therapist Directory

The directory is a growing database of therapists who have completed courses offered through SPI.
Please use these tips and tricks for an optimal search.

Use Keyword Search

In the **Search Listings** text box, use specific words to find SP therapists who specialize in certain topics and issues.

Search Listings

- Client Focus
- Sessions Offered
- Price
- Issues
- Gender
- Ethnicity
- Faith

Use Location Search

Use the **Location** text box, **Google Map**, or **Dropdown Menus** to search for therapists in your location.

Location

Highest Level Completed

Select your preferred Highest Level Completed by clicking on the **Completion Categories** above the map.

1-Trauma Themes Completed (661) 2-Developmental Injury Completed (486)

3-Advanced Integration Completed SP Certification Completed (233) (242)

Advanced Search

Need more detailed options? Use the **Advanced Search** to sort through listing by selecting multiple options at once.
