Wendi	Adams	PsyD	503-754-9676	dr.wendiadams@gmail.com		I specialize in working with adults. Areas of focus include trauma related disorders (cPTSD, PTSD, BPD), LGBTQ+, anxiety, mood disorders, attachment related/relationship issues, and life transitions. I came to SP after working with trauma survivors in a DBT clinic with the goal of improving client care and clinical outcomes. I offer a reduced consultation rate for SP students.
Cory	Arthurs	MC, RCC	778-385-5182	coryarthursrcc@gmail.com	coryarthursrcc.com	I am offering individual and group consultation, with sliding scale available to individuals who experience finances as a barrier to accessing support. I use SP in my counselling work with adult individuals, with a focus on trauma (including developmental wounding), substance use, grief and loss, women's issues, and psychedelic integration. My private practice is based in Kelowna, BC, on the land of the traditional, ancestral, and unceded territory of the syilx/Okanagan people- I am able to offer consultation to individuals both within, and out of, BC.
Berrith	Augustus		(+31-652115343	info@praktijk-de-overkant.nl	www.praktijk-de-overkant.nl	My name is Berrith Augustus. I work as a body-oriented therapist in a team that works with -mentalizing based therapy framework. I work with people with personality problems and DID. I work here both individually with clients and in therapy groups, in the groups I also work body-oriented and I use a lot of my sensorimotor skills. I work here for 21 years now, with pleasure. I also have my own practice where I work as a sensorimotor therapist. I have closed sensorimotor to my heart and would like to spread this work as well as help you take the next step in your journey within this beautiful work.

Jeannette	Maarse	PhD	+31 616370943	jeannetemaarse@gmail.com	www.praktijkmovere.nl	I am an experiential and body-oriented therapist working in mental health care for over 30 years. I was trained as a movement expression therapist and I am working as a registered psychomotor therapist. Since 2018 I am a certified sensorimotor psychotherapist. In my private practice I work with sensorimotor psychotherapy for adults with trauma and attachment problems. I assisted level 2 and level 3 trainings. I have been practicing the Tibetan-buddhist Dzogchen meditation for over twenty years. The fascinating and rich model of SP brought my work and my spiritual path together in the 6 principles and the wisdom of the body.
Heather	Parker	MA, LCMHC	802-522-0069	hpburlingtonvt@gmail.com		Embodiment Psychotherapy, LLC Certified Sensorimotor Psychotherapist, Clinical Supervisor in private practice in Burlington, VT, working with adults; individuals and groups. Level I in Boston, MA, Level II Boston, MA, Certification Level NY, NY. Assistant Level I in Boston, MA and Level II in Brooklyn, NY. Currently assisting a certification level in Denver, CO. Yoga instructor, wholistic health, outdoor enthusiast. Inspired by the somatic neuroscience, developmental exploration, and relational and experiential modalities embodied in Sensorimotor. Fascinated by our innate propensity toward health and the beautiful reintegration of the child within. LGBTQIA2s+ and BIPOC advocate.
Mirjam	Plomp	Psychologist	(+31-634202547	mploomp@psychotherapieleiden.nl	www.psychotherapieleiden.nl	As a psychotherapist I work in the Netherlands in a private practice where I work with adults with trauma and attachment-related problems. Since 2018 I am a certified sensorimotor psychotherapist. I assisted with the trauma course and currently with the advanced integrative training. In SP I have found the missing link in working with body and cognition/emotion. Central to me in working with SP is: Being curious about the development of the process, trusting the wisdom of the body, in a safe contact, based on fundamental principles.
Patricia	Preston	Psychologist	0448-973994	patriciaprestonpsychologist@gmail.com		I am a Psychologist and am able to assist with a wide variety of issues and I have a particular interest in trauma, including adult and child survivors of childhood trauma, and CPTSD.
